Watch Ur BAC Youth Drug Trends Presentation – Littlefield HS

Ben Harper with AgriLife's Watch UR BAC program provided an abbreviated Youth Drug Trends training to the LHS staff. Following the presentation, participants could look closely at some of the items used and/or worn by youth active in drug activity.

Watch Ur BAC Youth Drug Trends Presentation – Littlefield JHS

Ben was able to share the entire presentation with the staff of Littlefield JH. In between the two programs, he visited a local smoke shop to see if some of the items he spoke about were available in Littlefield. He found some items he hadn't been able to find elsewhere and shared them with the staff.

County Food Challenge

Five of our district competitors practiced at our county Food Challenge. Our Clover Kids can't move beyond county, so we encourage them to participate at this level. Our senior competitors who didn't have teams there were able to run our "grocery store" and help judge our Clover Kids and junior team.

District Food Show & Consumer Decision Making Contests

Between our Food Show, FCH Quiz Bowl, and Consumer Decision Making participants, we had 19 Lamb County members who competed in the three district events in Floyd County (Callee & Kimber Albus not pictured).

Simply Christmas Program – Castro, Lamb, Parmer Counties

We hosted our annual Christmas program, *Simply Christmas*, in Castro, Lamb, and Parmer Counties to over 60 participants. This year, our focus was on tradition – we featured recipes that would help our audience think of Christmas memories of their own. When planning in August, we didn't realize many magazines would feature a similar "vintage Christmas" focus this year!
