3. Member's governing body has approved execution of an Interlocal Participation Agreement with CIRA.

AGREEMENT:

In consideration of the mutual covenants and agreements set forth below, CIRA and the Member agree as follows:

1. GENERAL TERMS AND CONDITIONS

1.1 Definitions.

- 1.1.1 "Member" includes the Member and all officials and employees who use CIRA Services.
- 1.1.2 "Services" means a CIRA-sponsored or -provided service authorized by this Agreement.

1.1.3 "TAC" means the Texas Association of Counties.

1.1.4 "User" includes any person authorized by Member to use CIRA email or other Services.

1.2 Scope and conflict.

These General Terms and Conditions apply to the entire Agreement. If there is a conflict between this section and the specific terms and conditions for a particular Service, the individual terms and conditions govern. If the relationship between the terms is unclear the General Terms and Conditions will govern.

1.3 Authorized use.

Member may use CIRA-provided Services for a public purpose only and not for any private pecuniary gain. Member agrees not to use a CIRA Service to conduct a business or activity or solicit the performance of an activity that is prohibited by law. Member agrees to use the Services only for lawful purposes and in accordance with this Agreement. CIRA may amend its policies and guidelines at any time without notice to the Member.

1.4 Abuse of Services and CIRA's rights.

1.4.1 Prohibited activity. Activity that interrupts the normal use of the CIRA services or system for other CIRA Members is considered to be abuse of system resources and is prohibited. Examples of service abuse include spawning dozens of processes, or consuming excessive amounts of memory or CPU for long periods of time. Depending on the severity of the conduct or consequences, CIRA may issue a User that abuses the system an email warning or suspend the Member's or a User's account without notice. If CIRA determines that the abuse or misuse is unintentional, it may rescind a User's suspension.

1.4.3 Investigation and action authorized. CIRA may investigate any reported violation of this Agreement or CIRA policies or guidelines and take any action that it deems appropriate and reasonable under the circumstance to protect CIRA services and systems, Members or third parties. CIRA will not access or review the contents of any email or similar stored electronic communications except as required or permitted by applicable law or legal process.

1.4.4 Public information. Member also understands that information stored on CIRA servers and systems incident to use of CIRA Services may be subject to disclosure under the Public Information Act, Government Code Chapter 552.

1.5 Security.

1.5.1 Password protection. SECURITY IS THE RESPONSIBILITY OF EVERYONE. Member and each authorized User agree to keep individual passwords secure and not disclose individual passwords to any other person **for any reason. A CIRA representative will never ask you for your password.** If a User believes that the security of a password has been compromised, it is the User's responsibility to change the password or request a password reset from CIRA or a Member email administrator to prevent unauthorized access to an account. If a User loses or cannot remember a password, the User must contact CIRA or a Member email administrator immediately to request that the password be reset.

If a Member's account is responsible for or involved in an attack on or unauthorized access into another server or system, CIRA may terminate the account and Services without notice.

1.5.3 Security enhancements. CIRA may make updates and/or implement changes

to Member email security settings to address critical security concerns without advance notice.
